Important, please read the following;

BOOKING IN

We need to know that you are onsite, as the finals will have commentary and need to be in running order, so please book in at the ring in the morning.

CAR PASSES

These will be issued with running orders if you enter the RVA show.

If you are NOT entering the RVA show, please send a SAE by 31st May 2010 to me:
5 Kilnwood Close, Selsey, Chichester, West Sussex. PO20 0HQ. I have to order these in advance, they cannot be supplied free of charge on the day.

RVA AGILITY SHOW

If you enter the RVA show, a requirement is that you will be asked to help for 1 hour, please inform your ring manager that you are in the Finals, so they can allocate you a time that will not clash with your class. Should any of the RVA running orders clash with your running for the Finals, then please inform the person booking in and they should be able to accommodate you.

COMMENTARY:

With over 100 dogs, we need to put these in a running order so it is important that you return your commentary back to Renee in advance asap.

RUNNING ORDERS

These will be posted on the website in advance and at the Finals ring on the day. It is the competitor's responsibility to be available to run the course, and be available to run in order as shown on the timetable and running order sheets, all times are approx, so check with the ring and listen out for announcements on the day. You will not be allowed to run out of your running order.

HELP

There are only a few of us that run the finals, if you are able to offer any help during the day, then please see someone at the ring, even if it is making tea & coffee or pole picking, we would be very, very grateful!

COURSE WALKING:

We do not want to upset anyone, so please note there will NOT be an opportunity to walk the course between Grade & Height changes, only when the course changes. It is the competitor's responsibility to be available to walk the course, and be available to run in order as shown on the timetable and running order sheets, all times are approx, so check with the ring and listen out for announcements on the day.

This event is for you to celebrate these great dogs that you have given a second chance,
we hope you have a wonderful day!

The Finals are kindly being Judged by Lynne Shore
